# HHL DIGITAL SPACE – The Digital Transformation Platform

## WE ARE

“HHL DIGITAL SPACE – The HHL Digital Transformation Platform” is the new tech incubator of HHL Leipzig Graduate School of Management (HHL).

We focus on the creation of digital business models and support early-stage startup teams and established companies in their digitization, innovation, and transformation activities.

Based on campus in Leipzig, HHL DIGITAL SPACE is the platform in Saxony that combines excellent entrepreneurship and tech competencies to build businesses and are part of an superior network of successful entrepreneurs, investors, and industry leaders.

HHL DIGITAL SPACE is part of the „EXIST-Potentiale“ program, funded by the Federal Ministry for Economic Affairs and Energy (BMWi).

## YOUR RESPONSIBILITY

---

### Venture Building:

- You help building digital ventures in our structured 12-week incubation program
- You coach teams in the validation and concept phase
- You prepare and conduct workshops and input sessions for agile working methods

### Business Development:

- You help to build and validate new offerings in the field of digitization, innovation, and transformation
- You take part in customer and investor meetings to set up new projects
- You own and execute individual work streams to set up our portfolio
- You realize own ideas and bring them to life as a prototype

## YOUR PROFILE

---

- You are structured and creative at the same time and carry an entrepreneurial mindset
- You gathered working experience (>3 months) in a start-up, consultancy or a VC firm
- You are in the later stages of your studies (Bachelor/Master) in management, information systems or engineering
- You communicate effectively in English / German language at a good level
- Professional handling of digital tools and virtual collaboration

## OUR OFFER

---

- Chance to take ownership and responsibility from day one
- Flat hierarchies, ambitious team, and an entrepreneurial environment
- A solid salary, flexible hours, remote work
- Start: ASAP
